FYI. We below. The Chair of our Board is happy with the clean up. Question: Can they be cited for all the excessive personal belongings they leave there everyday? Eventually getting them to move completely or in storage?

Good Morning Sir,

Today Officer Guevara and I cleared up 725 S. Hill Street (Paragon Parking). All the transients that were on location were advised of 41.18D. The transients all gathered their belongings and a sweep and wash down was conducted. I advise Sgt. Baes to conduct multiple follow ups during the day. –Sgt. Hernandez
